

FIM E-XPLORER RACE 2-SWITZERLAND (CRANS-MONTANA)

P2 - SEVEN x EM STEWART RACING
P5 - EM FACTORY TEAM

The Race 2 of the FIM E-XPLORER world championship took place in the city of Crans-Montana in Switzerland, on the legendary Cry d'Er mountain!

The location for this event could not have been more dramatic with a back drop of Mont Blanc and The Matterhorn framing the horizon in a sun soaked and festival-style atmosphere. Electric fun and competition flooded the Swiss Alps for this eve.

Thanks to FIM E-XPLORER organisation for this great race located in an ureal spot on top of the Swiss mountains !

Full support to our riders Christophe BRUAND & Marine LEMOINE that did their best as usual despite a lack of success in the quarter-final.

Congratulations to our partners Spenser WILTON and Vilde HOLT for the 2nd position!
James STEWART should be very happy by this result!

The event, which was attended by senior members of the FIM, including the President Jorge Viegas who presented the winning trophy, has been heralded a huge success and the series is now looking forward to Round Three which takes place on Saturday July 29th in Auvergne, France.

Thanks to all our partners & sponsors for supporting us in this great adventure !
A special thanks to Nelson PHILIPPE !

Chris BRUAND - EM Rider

"Very good sensations on the bike, the EM team gave their best to optimize the bike and the lap times were good! Just a lack of success in the quarter-final but we will work hard for the next race that will be very important in front of our French public!"

EM FACTORY TEAM

Marine LEMOINE - EM Rider

"The feeling on the track was not on point for me despite some good lap times. I know my weaknesses, now back to practice for the next round in France."

Carina MUNTE - CCO and Co-Founder, E-xplorer

"This has been a fantastic event, this young championship is really starting to make an impression and today has been another big step forward. We are excited to be moving to France for the next round and I expect another fantastic event in Europe before we head to the US."

P2 on the overall ranking, we are fully boosted for the next race. See you in France for round 3!
